Screen: Selection Process - Test Scores

Screen Entry	The 75th percentile for a majority of institutions is less than 32. Please correct your data or explain. (Error #14315)	Explanation	Yes	
Reason:	ACT English 75th percentile of 32 was verified and is correct. Average is nearly 28.			
Perform Edits	The number of enrolled students that submitted test scores (SAT + ACT) reported on the Selection Process - Test Scores screen should be greater than or equal to the total number that enrolled full-time and part-time reported on the Selection Process - A/A/E screen. Please correct your data or explain. (Error #14232)	Explanation	Yes	
Reason:	The SAT is not the primary test used for entrance into the University of Missouri, the ACT is. The low number of SAT represents students who come from outside of the Midwest region.
